Dimensions	190 x 80 x 74mm / 7.48" x 3.15" x 2.91"
Weight	196g / 6.91oz

Getting Started

Assembling the Stand
Assemble the LC-C1 as shown in the following picture.

- 02 -

Wireless Fast Charging

1. Connect the LC-C1 to a wall outlet with a Wireless Fast Charging-compatible power adapter (a Quick Charge 2.0 or 3.0 charger can also be used). The power indicator will turn red.
2. Put your Wireless Fast Charging-compatible phone on the LC-C1. The charging indicator will turn green and your phone will Fast Charge wirelessly.

Qi Wireless Charging

1. Connect the LC-C1 to a wall outlet with your Qi-compatible phone's original charger. The power indicator will turn red.
2. Put your Qi-compatible phone on the wireless charge. The charging indicator will turn green and your phone will charge at standard wireless charging speed.

Wireless Charging for Non-Wireless-Charging Phones

Wireless charging receiver (not included) required for non-wireless-charging phones.

Power Indicator		Charging Indicator	
Indicator	Status	Indicator	Status
Red	Power on	Green	Charging / Fully charged
Flashing Red	Charging error

Product Care

- Keep away from liquids, extreme heat, and strong magnetic fields.
- A Wireless Fast Charging-compatible power adapter or Quick Charge 2.0/3.0 adapter is required for Wireless Fast Charging speeds on compatible Samsung phones or iPhones.
- For safe & effective charging, the LC-C1 detects the interference of metal objects in the charging area and faults like insufficient or excessive power input. Charging will begin or resume automatically once charging conditions are correct.

Warranty & Customer Support
